

For those who appreciate the best, this pathway light is designed for both high performance and style. The strong, linear form of the DM will complement any landscape by day and bring it to life at night. This luminaire is the best choice for the client who wants to make a design statement with their lighting. They'll also appreciate the high output, long-life halogen lamps which reduce operating costs.

DM: Path Light

The Harmony of Patina

The most successful gardens are a harmonious blend of organic materials. The FX copper line is the perfect match to wood, masonry, and plant materials since the natural patina process allows each fixture to integrate seamlessly.

Compare FX copper luminaires with any other, and you will find a dramatic difference in quality of materials, precision of fit and consistency of finish.
