

The subterranean FC introduces glare-free controlled illumination into smaller scale spaces. Applications can include installing behind a potted plant and in front of the column at the entry to a stately residence. The variety of cowlings and lamp options increase the design possibilities.

FC: Well Light

Create Drama

The FC brings controlled, focused light into a scene without overpowering the subject matter. It's perfect for highlighting specimen plants, garden art, or architectural elements.

This lighting fixture is rated for transient landscape moisture-it is not an underwater light.

FC: Well Light

FACTORY INSTALLED OPTIONS: Order 1 + 2 + 3 + 4

Step	Description	Code
1	FIXTURE	FC
2	LAMP	20 (36° beam 2,000 Hr Halogen)
