LIGHTING WITH VALUE

LANDSCAPE LIGHTING

Shine a Light **ON VALUE**

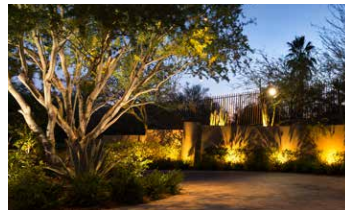

Outdoor landscape lighting is an affordable way to beautify your home

Benefits of Installing a Low-Voltage Lighting System

Outdoor landscape lighting is an affordable way to beautify your home and create additional living space without costly renovations. By adding a low-voltage lighting system, you can:

- Create curb appeal with special lighting effects
- Make your home safer by illuminating walkways, steps, and entryways
- Enhance outdoor gatherings by lighting eating and grilling areas, patios, pools, and spas
- Highlight landscaping, stonework, and architecture details

FX Luminaire Products Create a Variety of Effects

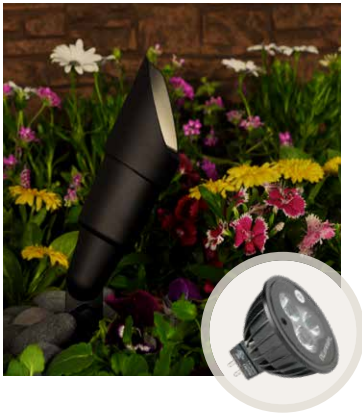

Up Lights add texture, contrast, and interest by highlighting trees and landscaping.

Path Lights provide safe illumination for walkways.
